

# ALPINE MANAGEMENT RESOURCES

Alpine Management Resources provides **Recruitment Consultancy** services to the corporate world.

We are a company with a commitment to provide people and people related services and **increase the net worth** of an organization.

## **OUR FOCUS AREAS**

We have a good database of candidates from various fields like IT, FMCG, RETAIL, BANKING, CONSULTING, AIRLINES, INSURANCE, MEDIA, INFRASTRUCTURE, MANUFACTURING and TELECOM which helps us to find the right candidate for your job in the specified time frame.

## **COMMITMENT**

Good Human Resource has become an increasingly complex and challenging area today. Alpine's commitment to meet and exceed client expectations by providing them the best candidates in the specified time frame has helped us to retain the trust and goodwill of our clients.

## TEAM

We have a team of experienced executives who are well versed with **different industries** and verticals.

## OUR AIM

- To be the preferred Business Partner by providing the best **Manpower Solutions**.
- To emerge as a **one-stop** shop for all Manpower requirements

## BENEFITS OF OUTSOURCING TO ALPINE

- Saves your time.
- Helps you focus on your core business
- You get only the **best** and the **right** candidate

We believe this quest for excellence will shape Alpine Management Resources into a world class organization that sets a global benchmark for the best HR services and HR outsourcing solutions.

We look forward to provide your organization with our expertise the best candidates for your organization
